

The 2018 Sydney Royal Flower & Garden Show

Rose Judges' Report for the 2018 Sydney Royal

Despite extreme heat and dryness nine exhibitors were able to contribute to the show. A good display of carefully prepared vases was there for the thousands of visitors who passed through the Southee Pavilion.

Ted and Meryl Morphett set the standard and thoroughly deserved the rewards for their hard work. Ian and Maureen Thackeray won their first NSW Championship with the Miniature Class. Jim and Helen O'Hearn's persistence was rewarded with ribbons for their fresh even-coloured **Flemington Racecourse**.

Our thanks to President, Colin Hollis who, with some assistance from other members, manned a promotional stand at the show. The many hours dedicated here resulted in new members who will hopefully in time become involved in administration and exhibiting.

It was an honour and a pleasure for us to again judge at Sydney Royal.

Graham Wright and Alex Ross.

Rose competitions were held over three days. Below are the Championships and Champions results, only. The full list of results may be found on the 2018 Sydney Royal Flower & Garden Show website – follow the links to schedule and results.
