

Signature Rose  
'Best Friend'

## Reminder

The next meeting of the Southern Highlands Regional Rose Society

Wednesday 19<sup>th</sup> February 2020

CWA Rooms, Mittagong - 10.30am

### *Change of plan!*

Due to a lucky mix up we will now have the pleasure of Bruce and Lonny Raines presenting  
**“Growing and Showing Dahlias”**.

Bruce and Lonny are long time exhibitors and have taken out prizes at the Royal Easter show as well as many smaller shows. They have enormous expertise and anyone who loves a bit of colour in the garden will enjoy this presentation. They also grow Gloxinias and will have some for sale after their presentation.

As well as the presentation our Rose Society meeting will have a packed agenda including details of the March event, our contribution to a number of upcoming events and discussion of some new ideas. And of course we will have the usual question and answer section.

This year we will be making much more of the Show Bench. So bring your favourite rose bloom and show it off. Instructions at the door as you arrive.

*Please bring a plate for sharing for morning tea. Tea and coffee provided*
