STOP PRESS: NO UNSH MEETINGS as per NSW Health in April, May, June, July, August, September 2020. Meetings will resume as soon as restrictions are lifted. UNSH plans meetings in November and December as long as it is permitted by NSW Health, so that UNSHkins have something to look forward to. See page 2 & 3.

Having fun at UNSH

"Photo time... hold your stomach in...I can't hold it anymore Judy!"

Paul Stanley with Judy Satchell.

\$10 was presented to Judy who won the Challenge Class 8 which was one of every rose in your garden.

UNSH moved to 'Birchgrove' for their February meeting as there was a power outage at the Galston Community Centre. We ran a quiz with Caramello Bears for best answers. There was a draw for the total between Robin and Bronwyn for most disasters (Stanley's excluded!) experienced after Feb 9th storm. A ticket resolution draw meant that Robin won a bag of 'Sudden Impact for Roses'.

Quiz - As a consequence of the storm ...Days without power; number of trees fallen on property; trees blocking exit with power lines down; days without landline; days with out internet; number of electrical appliances damaged ; other.

Who loves Who Flung Dung?

Barry loading up
his car with his
Autumn Neutrog
Order.

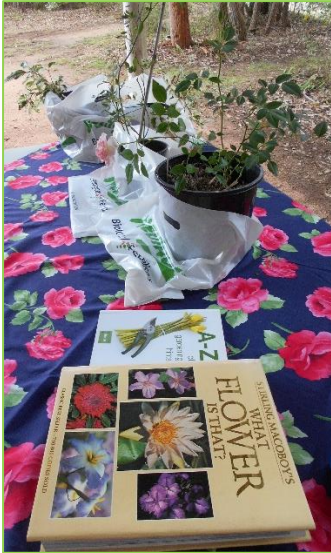

UNSH members with large Neutrog orders over \$500 came early to collect their orders. Many choose to order massive amounts of 'Who Flung Dung' to compensate for the scorching summer heat.

Graham and Trish treated themselves to a new trailer so they could collect their Autumn Neutrog order. They have an award winning five acre garden.

Spring Neutrog Order 2020

UNSH has received permission from local police for UNSH members to collect orders during the COVID19 crisis. There will be no meeting nor BBQ. There will be strict allocated time slots. Driver will remain in vehicle. Order will be packed in your car. Order forms will be sent out in July. Collection at 'Birchgrove' weekend of 17th -18th October 2020 ONLY. **Only order if you can collect on this weekend.** Due to health crisis and organizational pick up, it is essential to come punctually to collect your order on this weekend ONLY.

Left: **Raffle prizes**

N.A.S
 Not according to
 Schedule
 The exhibit is
 disqualified from that
 class.

Rose breeder, Richard Walsh giving a detailed, interesting power point on “Species roses and their significance in breeding”.

'Christmas, New Year, Easter taken,
 Scorching summer, bushfires, drought,
 Lives, homes lost
 Extreme storms, falling trees, power off
 Stress all 'round
 No gaps 'tween dramas,
 COVID19 bringing up the rear.
 Uncertain times.
 Fear abounds
 Jobs lost in seconds, world wide scale
 Daily life changed for all.

Take one breath at a time.
 Take one step at a time
 Keep centred
 Keep focused
 Find new goals.

This must have been how our wartime parents felt.'

K.S.
